Dear Matt:

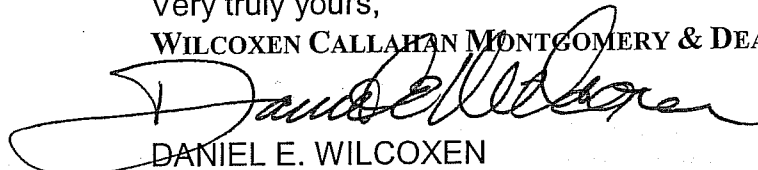

It was really nice speaking to you on the 17th of July, 2009. I hadn't heard from you in a very long time and I was so pleased to get the chance to talk to you for awhile.

I was surprised to hear that you are changing your practice and are going to be doing mediations from now on. I think you will be very successful as a mediator. You have always seemed to have, even when you were the opposing party, a good grasp of reality and understanding of my thought processes so well that I had great difficulty arguing with any position you had. I think your easy going approach, understanding and likeability, along with your great knowledge of the law will serve you very well in the future.

Please provide me with a schedule of your fees and costs so I can distribute it to the attorneys in my office. Although there are a lot of people engaged in mediation, not all of them perform as well as you will.

Very truly yours,

WILCOXEN CALLAHAN MONTGOMERY & DEACON
